

Dear Parents:

As a PGA Professional, I know you want the best for your children. As a parent, I share your concern. I want my children to have enjoyable and fulfilling experiences, the kind that will help develop maturity, good habits and sound values.

Our AWCC Junior Golf Program will strive to provide your children with a better knowledge of golf; plus provide character forming knowledge of the rules and etiquette of the game. Your children will be better golfers and better people. I hope to have your Junior Golfers join us this summer.
